Five things to know

1. **Sample** before you **borrow**, so you only borrow books you really want to read. This way more books will be available to borrow.
2. For most eBooks, only one person can borrow them at a time. But you can **Place a Hold** on any title that is already on loan, or add it to your **Wishlist**.
3. Your loans are automatically checked out for 7 days – but you can change this to 14 or 21 days. Just go to account  then select settings .
4. You can borrow up to ten eBooks at a time.
5. You can find more information about borrowing eBooks at [OverDrive Help](#)
