

TERM 3, 2024

YEAR 3

CURRICULUM LETTER

ENGLISH

Students will investigate a range of informative texts; reading and writing about places and celebrations studied in HASS. Students will analyse and respond to visual, procedural and informational texts and discuss audience and purpose.

They will create a portfolio of work. Students will continue to learn spelling rules and letter sound relationships and patterns.

MATHEMATICS

Students will continue to build understanding of place value. They will classify numbers as odd or even and continue number patterns. They will recall addition and multiplication facts. They will recognise the connection between addition and subtraction. Students will represent and calculate multiplication using a range of strategies. They will explore measurement, time and money.

HASS

This term students will be investigating boundaries in our own country and discovering our closest neighbours. They will research the meaning of symbols and significant celebrations and commemorations in our states and territories. Students will make and compare maps from different eras in Australia's history. They will design a flag; explaining their choices

VISUAL ARTS

Students will explore the seven elements of art and create a portfolio of work to demonstrate their understanding.

JAPANESE

Students will create a bilingual 'collector card' for an Olympic athlete, including details such as the sport, country, and adjectives to describe the athlete written in Japanese script.

MUSIC

Mrs Bath will be supporting students as they create a rhythmic and melodic composition using staff notation.

HEALTH

In Health, with Mrs Williamson this term, students explore the concept of sustainable practice and the ways that they can contribute to the sustainability of the environment in their home, classroom and school.

PE

Physical Education lessons throughout Term 3 will focus on developing the students' basic skill through minor skill games related to of the games Basketball, Oz Tag and AFL.
