

Investing for Success

**Under this agreement for 2017
Mount Cotton State School will receive**

\$178,427*

This funding will be used to

- Maintain the percentage of students receiving an 'A' in English at 15% by the end of 2017.
- Maintain the percentage of students receiving an 'A' or 'B' in Mathematics at 35% by the end of 2017.
- Maintain 85% of our students receiving an 'A', 'B' or 'C' in Mathematics and English.
- Improve teacher capability through focused coaching and professional development to improve student performance.

Our initiatives include

- Provide specialised targeted intervention program (ELF) based on the assessment and monitoring of student needs.
- Through Team IQ, review student performance data every 6 weeks with a focus on reading and number.
- Provide opportunities for teachers to collaboratively plan and review curriculum units to ensure there is consistency in planning, assessment and moderation across all year levels.
- Employ an Instructional Coach to explicitly support and target teacher needs.
- Employ an Altitude Pioneer to implement our extension program across Key Learning Areas.
- Continue to embed Peer Coaching and the Mount Cotton Professional Learning Community that supports staff through a solid and dependable performance and development culture.
